- **Saturday April 24th 11am to 9pm Ken is leading a "Fire Dance Ceremony". Event flyer follows**

- Come and enjoy gathering of the passing of the Old and the entry into the New.

The Fire Dance Celebration is one of Humanity's most elegant and beautiful rituals and possibly the oldest rite of passage on the planet. It signifies the marriage of Spirit and matter: outer and inner fire... a merging of opposites into a unified whole.

As a large wood fire burns down into a hot 1200 – 1600 degree bed of coals, we will explore the nature of personal and collective reality... The evening will be moving and valuable, whether one chooses to dance in the fire or not.

"Ken's fire walk was one of the most powerful and revealing experiences of my life." ...Friedrich Schropf M.D.

Ken Cadigan is an international master facilitator, spiritual guide and the creator of "Fire Dancing, The Sacred Tradition" He was one of the first firewalking instructors to emerge from the American firewalking movement, After learning the basics of firewalking, he learned the "dance" from the Anastenarians of Greece, who have 1000 years of recorded fire dancing history.

"We had the opportunity to 'Walk on Fire' with Ken in 1987. This was a truly great experience! Ken is a great leader, his thorough and supportive energy enabled us to break thru our many fears about fire - and life. Walking on the hot coals was a great venue for getting to the other side." tomandtrish
